

ENVIRONMENTAL POLICY

INTRODUCTION

To promote through all Forest Tree Service Pty Ltd activities, a sound awareness of, and favourable attitudes and behaviours towards the environment among all workers and the public and to reduce the adverse impacts of Forest Tree Service Pty Ltd activities on the local, national and global environments.

POLICY

- Forest Tree Service Pty Ltd recognises its environmental obligations, both locally and globally, to present and future generations;
- Forest Tree Service Pty Ltd, as a progressive company, accepts its responsibility for environmental protection;
- Forest Tree Service Pty Ltd will operate in a manner which protects the environment, especially the health of employees, contractors and the public;
- Forest Tree Service Pty Ltd will be aware of and monitor its environmental legislative obligations and strive for best practicable methods;
- Forest Tree Service Pty Ltd will endeavour to ensure that persons coming into contact with the company, on either a business or public level, are made aware of the company's environmental values and the types of behaviour, which might be detrimental to those values;
- Forest Tree Service Pty Ltd environmental policy will establish a framework for setting and reviewing environmental goals.

ENVIRONMENTAL POLICIES

To support Forest Tree Service Pty Ltd Environmental Policy, the following principles have been developed to provide additional direction on specific issues. Forest Tree Service Pty Ltd will employ the best practicable methods to:

- Conserve energy (produced by non-renewable resources, and by methods which pollute the environment);
- Conserve water resources and minimise wastewater disposal;
- Minimise and, where possible, eliminate the use of harmful substances;
- Ensure the correct and safe disposal of all substances;
- Minimise waste generation through reduction, reuse and recycling;
- Minimise pollution including noise, visual, electromagnetic radiation, and odour;
- Address environmental concerns in all planning and landscaping decisions;
- Encourage procurement procedures that adhere to the principles of the environmental policy;
- Encourage teaching and research activities designed to facilitate and implement specific components of this policy;

This policy will be reviewed annually as to its effectiveness and to incorporate changes within Forest Tree Service Pty Ltd and health and safety legislation.
